Maadi Narmer School

Front-End Development Oct 2021 – Jan 2022
Frontend Simplified

Cambridge International AS & A Level Computer Science Nov 2021 - Current
Maadi Narmer School

Certifications

Adobe Photoshop Fundamentals
By Daniel Walter Scott

Experience

Model United Nations & TEDx Oct 2020 – March 2021
Graphics Designer Jan 2022

- Collaborated with my graphics design colleagues on social media postings and materials for the annual MUN and TEDx events in 2021.
- Appointed to lead the Multimedia & Graphics Design team in 2022.
- Came up with creative design ways for the flyers that helped improve the number of individuals that attended these events.

Freelance Feb 2022
Frontend Software Engineer

- Designed, developed and hosted my client's art portfolio using semantic HTML5 & CSS3 best practices along with JavaScript functionality.
- Included responsive and multi-platform support to enable the portfolio to be viewed on any platform and device.

Private Feb 2022 - Current
Coding Tutor

- Tutoring colleagues that are passionate about software the fundamentals of front-end web development using HTML5, CSS3 & Flexbox best practices that I've learnt from senior developers.

Projects

Tour & Travel Agency

- Created a tourism website that aimed at showcasing Egypt's beauty using HTML, CSS & JavaScript.

Uber Cuisine

- Developed an Uber Eats clone in which Uber has its own menu.
- Used a food API to retrieve meals containing the ingredient the user is looking for.

Technical Skills

Proficient: [HTML, CSS, Flexbox, JavaScript, Git, Photoshop, Lightroom Classic, Figma]

Familiar: [Markdown, Sass]
